Sas, maybe you are looking for an authentic camping experience, or maybe you are looking to go "on the cheap." If the latter, there is a small motel right near the entrance to the Park in Townsend, TN that I stayed in and it was like \$45/night for two beds. As cheap as camping, but warmer and drier. The name escapes me, but I could find it. Here was my journal of that trip-- just me and Gino-- a lifetime memory for me, and I hope, for him as well:

The motel was "Dock's."
