I'm in..... if JackM, Maurice, Sasquatch, FarmerDave, and PoconoPaul will also tie flies for this swap?

My fly: A size 20 beadhead black Zebra Midge with a dub thorax.

I've had great success all winter long with that midge. Muddy and Breeches with snow on the ground, Forget about it!

And, yes, I'll send extra flies for the moderators..... and my good friend Pete41.
