Squatch is right. The Donegal isn't a "destination" stream IMO. If you're local (within 1/2 hour or so), it fits the bill to catch trout and work on skills. It's where I cut my teeth and I'll always consider it my "home stream", but I wouldn't drive any distance to fish it. I can be on the water in five minutes, so for me she's kind of like that girl that always gets called at two in the morning... 🏠
