Troutbert: your question caught me short and caused me to check on the publishing date of "Bodines." To correct the record I should say that I bought the book from you in 2009 and I see that it was reprinted in 1994 by Gateway Press, Baltimore MD. I wonder if you have additional copies for sale for the benefit of those who might wish to purchase.

Tups, I don't think either "Bodines" or "Vanishing Trout" have been reprinted since the early 1990s Gateway Press edition.

I have one copy of "Bodines" left. This is the 1994 Gateway Press edition. Hardback. Condition: New. \$50 (total, including shipping)

I also have 2 copies of Vanishing Trout, 1993 Gateway Press edition. Hardback. Condition: New. \$50 per copy (total, including shipping)

I also have 2 copies of Vanishing Trout, first edition. 1931. Condition: very good. \$75 per copy (total, including shipping)

If anyone is interested, send me a pm.
