Fished 9/7 at Allenberry from 9:30 till 12:00, wt. was 61. Got there late, fish were rising to Trico's when I got there. Tied on a 22 spinner and landed 5 and missed at least that many.

After the hatch was over landed a few more with Ants and Beetles, missed a bunch of fish today. First time I've been out for awhile, so it was good to get my feet wet.
