Order in time for Christmas!

If anyone would like something to arrive before Christmas, please order by Wednesday of this week. With the chaos of the post office right now that should be plenty of time for it to arrive before Christmas day. Remember 40% off to paff members!

I'm also testing a few blanks for my rod series. It'll be a while before I offer them to the public, but the testing process has begun. Tossed some line with one over the weekend and needless to say it is very impressive. Will also give another blank a test on Thursday up in Erie with my Anakim reel attached. Once I'm closer to bringing them out to the public (hopefully by Fall of 2013) I'll give out some more details.

Hope everyone has a Merry Christmas!
