Rick,

Yes I do swing my married wings from time to time and catch fish on them too!! I don't think they perform as well as other flies day in day out, but they do work.

The trip after thanksgiving was good. Had two good afternoons, 4 one day, and 5 on the other while swinging flies. Only had two slow days the whole trip and one was caused by my truck.

Hoping to head back up if the temps arent too bad next weekend.
