People rely to much on gimmicks an the newest must have items. Fly box, float, nippers, shot, line tool, themos, tippet. That's all you need ever. I rarly ever even carry a net. Lean an mean. Simplicity, no reason to make it more complicated then it already is.

I fish more then most, an alot more then many.

Have fun diggin threw your overstuffed vest looking for a item your not even sure is in there. Ill be in the stream catchin. An lookin good doin it! Hahahahahahahahahahaha
