Welcome to the Paflyfish forum!

We're a bit picky around here on the topic of maintaining a civil and tidy forum message board and seek to keep questions and topics "filed" in the forum that best relates to that particular topic.

This thread is a better fit with the warmwater forum rather than fly tying and will be moved.

Duplicate posts in multiple forums are also discouraged.

Not a big deal - just attempting to keep things straight for our readership.

Thanks,

Dave W
