Just voted at the Best Private Access Destination by Blue Ridge Outdoors Magazine. Thankfully this includes NC, VA, MD, WV, not PA which has so many wonderful streams.

Harman's stream is full of winter trout ... Our hot tubs are 101+ degrees. Its a great place to spend some time this winter.

WEEENEND GETAWAY's RARELY OCCUR..

We would like to offer a free 2 night getaway the weekend of January 4,5 2013. We have set aside a 4 person luxury log cabin with private outdoor hot tub on 1 3/4 miles of private trophy trout stream. Fishing access to the stream is free to guests.

One of my favorite comments about Harman's: My wife was concerned about a fishing trip in West Virginia, after the trip she's already booking our next trip.

You can review information about Harman's Luxury Log Cabins by searching on harman in the general forum. Or selecting our advertisement on the right side of paflyfish web page.
