I recently purchased a cataraft 13 x 7 and I'm looking forward to putting it to use on Penns and the Lil J. Can anyone recommend decent start and end locations for 4 hour and 8 hour drifts?

For penns I was thinking Coburn to Poe Paddy, but I've only fished both areas twice. I'm not sure how many river miles are between the 2.

I'm at a total loss for the Lil J.
