If any of you are even thinking that you might come to this, or want to meet some other people to fish with, I have one thing to say. **COME TO THIS MINI JAM.** All of these guys are great guys, and very welcoming. You may be thinking that it would be awkward to go and hang out with people that you don't know. Well, not this group. Not at all. You will have fun. I don't get anything if you guys come other than to expand my group of friends. I just want you to know that you are all welcome.
