Chaz, you be the pot, I'll be the kettle. Deal? Seriously, though, Google will find you a dozen or so decent SR maps. These holes are impossible to miss. Ask any local anywhere in that town. I actually planned to follow up after I poked Becker a bit. As soon as you walk in the door at All Seasons they have a giant map of the SR on the wall, with both mentioned holes prominently marked. Lighten up, dude.it was a joke. I also recommend fishing the SR after a thunder storm. I am serious however, that Fat Nancy's is run by people who, IMO, of course are reasonably indifferent, while the folks at All Seasons are very helpful and courteous.

Edit: "If you ask anyone at the fly shops they'll be more help than some of the folks on this site."

At least I told him which shop to go to.
