Fishidiot,

Thank you for the advice, as I will use it when buying my supplies. Unfortunately, I'm getting the itch to fish now, so my first rod won't be one I make, but the Orvis Clearwater 4wt I bought today at Bass Pro. It's last year's model, not the Clearwater II, so I got it for \$90. I'm very excited to catch my first trout on the fly! I feel an addiction coming on
