For those interested, Gary Blockus published an article and accompanying video highlighting this year's fly tying event. It can be viewed at:

<http://www.mcall.com/sports/outdoors/>

Then click on, "Fly-tying classes kick into gear."

Just a reminder that, even if you did not make the first Saturday, it's not too late to attend the following classes. Extra instructors are available to get participants up-to-speed. To register, you may show up at Northampton Middle School on Saturday by 9:30 am. This week will feature Tony Pavone as the featured tyer.

Please do not hesitate to post any questions or comments. Thank you.

Kind regards,

Brian of Hokendauqua TU
