We may need a man of the cloth to bless us Friday night just as the weekend starts this year. From what I can see from those people that have already said they're in it looks to be one of the biggest collection of misfit's assembled in quite a long time.

Can wait to talk about Obama, gun control, unions, Andy Reid, Flyer vs Penguins, and more about Obama. What could possibly go wrong? I'll bring the popcorn!!

Sbecker there is about a 50% chance it will rain a lot 1-5 days before May 17th and another 50% chance it will rain a lot from May 17-19. It is central PA in mid-may.
