If you only knew what it's like to hook an 18 lb redfish in 2 feet of water on a 7wt rod...yes I do miss fishing in SE Louisiana...

I didn't attack anyone. Where did you see name calling or any other "attack"? Is it such an insult to simply disagreed with or question the advice rendered by your fly fishing mentor. I didn't say he was a bad guy. I didn't say he was a dishonest guy. I didn't attack him personally.

I didn't say I know it all. However, I do know how to get a streamer down to the depth I want to fish it, and I disagree with Dave's assessment of the situation. That's all.

The only thing ugly here is your reaction to someone bringing something new to the table.
