Yup....we all know (or should know) that there are many ways to catch a fish. There's really no right way or wrong way, just different ways. But that's not the point gawldangit...the OP was a noobie just asking about some info to take is son out FFing! This forum was created to give those new to FFing a place to feel comfortable asking questions about the sport. Just about every post after the OP make me uncomfortable! 🙄

If you are noobie or are a member on here answering noobie question, feel free to post on here. For everything else, use another related forum in the general forum. And if you want to write something dumb and/or not related to FFing, use the OT forum.
