And H-a we actually talk about you eating the tenderloin. It was funny how you were walking, took a bite, and stopped dead in your tracks with the most serious look on your face. Then you grunted. Lol

Words couldn't describe how good that tenderloin was.

I actually had seconds, and it was the last two pieces left in the tray. Normally, I wouldn't take the last of anything, but I'd trip my Grandmother to get that tenderloin.
