I'm already working w/ my 3 yr old. I let her cast a little 6' 6wt I have. I have to hold her arm as she does it, of course, but she likes it and asks often if we can practice casting. Your son is probably a little bigger 😊

What gets my daughter the most excited is seeing the fish. I took her to a local stream that is littered w/ stocked bows, and let her reel in the fish, hold them, etc. I also try to explain everything I'm doing as I'm doing it. I don't know how much she's retaining, but at least she's hearing it.
