Just sat down with the Jan/Feb issue of the magazine and in the letter from the editor, they are very excited to announce a change in format. Rather than four quarterly issues focusing on specific regions in the NE, they will now print six issues covering all of the East.

Correct me if I'm wrong but isn't that the format they abandoned about a year ago? I'm happy for the two extra issues, but I'll miss the more localized coverage. Now if only they would bring back access to all the back issues in PDF.
