I am definitely a fan of the movie. It makes me think about the bigger picture of things and how fly fishing can be an escape. I've got the book on my shelf, but have yet to read it. I plan on doing so at some point.

Incidentally, the actor who plays Norman Maclean, Craig Sheffer, is a south-central PA native. He grew up in York, PA and graduated from Central York High School. Just a little piece of trivia, since this is a PA fishing site.
