"It is my love poem to my family," Maclean said in 1986. "It is a story of the tragedy of my family."

It seemed to me that the family tragedy comes through in the book. In the movie, maybe not so much.

Dear troutbert,

Funny, but that is exactly how I saw the movie. It wasn't about fly fishing but rather the story of a dysfunctional family. Flyfishing was nothing more than a backdrop to the real story.

And I've never read the book.

Regards,

Tim Murphy 😊
