pcray's shortest post ever!

I hate reading, so all movies are better than books.

Actually 2 books that I thoroughly enjoyed are Lee Wulff's *Compleat* and *The Fly Fishingest Gentlemen*. Couldn't put either of those down. Would love to see a movie made about Lee Wulff's life.

My wife actually enjoys *A River Runs Through It*. It didn't get me into fly fishing, but definitely compels me to do it more and enjoy it every time.
