Glad yinz guys liked the fish, but I don't mean to distract from the thread. The best part is that there's plenty of opportunities for everyone up there. Whether you're a trout "purist" or like myself in search of something with a little more attitude. You really could catch Brookies, LandLocks, Smallies, and Pickerel all in one day, and sometimes on the same river! Further more; with so many options it's pretty easy to DIY, and have your own adventure without all the expense. I took the whole family (Fiance, Daughter, and Dog) for 2 weeks and only spent \$1500. Anyhow; Enjoy your Honeymoon and Congratulations BTW!
