I am sure many of you must have took the action and sent out the message to the President. Just so if you have not done so yet. Below is the link:

<http://www.capwiz.com/savebristolbay/...s/alert/?alertid=61590181>

Bristol bay is certainly one of the most beautiful and special places in the world to say the least. Please do not let the human's greediness destroys it.
