Apparently, the PFBC Commissioners who are meeting today have voted on proposed changes to fishing regulations for Penns Creek and Big Spring. On Big Spring, the proposal was to change the regs to allow harvest of rainbow and brown trout in the FFO section. This proposal was rejected.

On Penns Creek, the proposal was to change the Trophy Trout section to a slot limit. This proposal was approved.

Please keep in mind, this story is breaking and if we hear otherwise, we'll let you know but at this point this appears to be the story.
