FI: So it is safe to say that the change was made strictly for scientific purposes; to study the effect that such a reg change might have on the popn, one way or another.

Yes. As far as I know.

It would not surprise me if there was some local pressure to change these regs....what the PFBC calls "social" issues. However, I'm not aware of this and somebody closer to the Penns Creek controversy could give you better info than I.
