Thought I would share:

Saturday March 2

4:00pm - 8:00pm

Donegal Fish and Conservation Association is having their annual show. Much of their operating budget is secured through this show. I realize it falls on the same day as the Lancaster show but look at the time, it's pretty much after the show. Feel free to stop up at Donegal High School and support this group. We are very active in helping to conserve and improve the natural cold water resource we have in Donegal Creek!

ps - we have banging BBQ. you can buy tickets from me.

pps - I'll be at the Lancaster show in the morning and then leave to help with the donegal show. if you want to ride out I can take a few of you. I'll be back on lancaster to watch the Fly Fishing Film tour and imbibe into the night!

Hope to see you out here!
