Spring Outdoor Show 2013

Saturday March 2

4:00pm - 8:30pm

Donegal High School Gym, Mount Joy Pa

\*Free Admission\*

We still have room for some vendor's if your interested.

We are also looking for anyone who would set up a tying table and be interested in demonstrating tying.

We realize it is the same day as the Lancaster show but it was planned for this day before we knew when the Lancaster show would be. That said, it starts at 4pm and ends at 8pm which is prefect for stopping by after the Lancaster show.

BTW - we have awesome BBQ, I am selling tickets.

This show benefits the DFCA (Donegal Fish and Conservation Association) and DEEP (Donegal Experiential Education Program).

DEEP is a program that gets high school students involved in the outdoors.

thanks for your interest!
