Has anyone done any fly fishing in the key's?

Looks like I am going to be spending some time in Duck, which is near Islamorada and Marathon, would love any recommendations on Fly Fishing guides/captains for Permit/Bonfish on the flats.

Thanks

sroach,

You asked for recommendations on guides. There's some confusion here because your title says "Key West" but your thread says Duck Key. Duck/Marathon/Islamorade are the "Middle Keys" and Key West is about 50 miles away from Duck. The guides recommended by Longwader and Nimrod are located out of Key West. This is a long distance away from Duck. Some guides will trailer a boat up and down the Keys (the Keys are 120 miles in length) but generally Keys guides work out of specific marinas. If you want to hire a Key West guide, you'll probably need to drive to Key West.

You didn't mention that you wanted recommendations of guides with whom we had personal experience.

Just trying to help.
