Thanks for doing all the legwork H-A. If you guys only knew what Ed went through this year to slot us at Wildlands!!! Been a long time since I heard a grown man cry!! Just teasing but guys H-A went above and beyond to set this up. Great job H-A.

As for those interested in topic #8 regarding Brookie fishing. If you have anything particular you want to see, please PM me or Dog with those topics so we can make sure to cover those things. Whereas we will not discuss particular streams I think it is safe to say that we will try to have website resources you can use to locate and safely get in and out of those waters. Assuming my cell service works, I plan to have my laptop connected to the internet so that we can show you some of those sites and how we use them. I haven't spoken to Dog yet but I'm sure we'll cover flies we use, how we use them, different setups and stream approach and execution.
