Just found out we'll be joined by UFMGuy. He'll have a table set up with all sorts of maps, gps, and phone app goodies. We'll put him between station #7 & #8 - his products mesh nicely with those presentations, and will make things easier for those instructors (ie visual aids). This is gonna be cool!

Volks - You're in. I'm gonna go out on a limb and put surveyor06 (Andy) with you. Andy always does this station, and even though he hasn't chimed in yet, I'm sure he will.

djs - I'll hold back on assigning you to a station until I talk to da Fox. You're at his mercy. 😁

Shane - No problem. I'm sure you can guess where you'd be assigned. 😊

- 1 - Gear Setup
- 2 - Knot Instruction (guest instructor +?)
- 3 - Leader Setups
- 4 - Entomology
- 5 - Fly Tying for Beginners (Volksnurse, surveyor06)
- 6 - Fly Casting Instruction (H.A. +?)
- 7 - Where to Fish (pcray, k-bob, +?)
- 8 - Wild Brook Trout Fishing (Foxgap239, Delta Dog, k-bob)
