Orvis is hosting free fly tying classes this winter. It's a follow-up to the fly fishing 101 & 201 classes there the past two years. If you've never put a hook in a vise, or know someone who wants to learn it would be a good start. You walk out with a couple of coupons, demystification of fly tying, and a few serviceable flies.[img width=300]

**Join us for FREE  
Fly Tying 101 classes this  
January and February.  
A \$50 value!**

Join us on any of the dates listed below and learn fly-tying basics for FREE.

If you're interested in participating in one of these classes, ask an Orvis Associate for details.
