Lookin forward to it. Fox and Delta, we should probably have a "conference" (read, fishing trip) before this event so that we can avoid doubling up on the info. Our stations really could be considered one big station, and we'll try to cover the spectrum of stream types.

That works for me and I have a 800 conference number we can use. Let's setup a date and time and I'll PM you guys the pass code. We should probably involve H-A and K-Bob too.
