What to expect-getting your arse kicked.

Go with the expectation of seeing one of the most beautiful, most legendary streams in the world. Go with the mindset of taking in the lore and history of it all. Fish are a bonus. What everyone else said is right on, can't really add to it. All I can say is, when I finally got there, I didn't expect to catch fish, and all I could think the whole time I was there was, "I can't believe I'm standing here!"
