URL:

Just wanted to share this with everyone. I spoke with Clark Hall from the Rivers Conservation & Fly Fishing Youth Camp over the weekend.

The canceling "postponement" of the Eastern Sports and Outdoor Show this year will most likely have an impact on the youth camp as well. About 1/3 of all applicants submit applications during the show and fund raising efforts will be impacted as well.

The camp provides kids between the ages of 14-17 an opportunity to learn about fly fishing, fly tying, conservation and much more. Really a wonderful program.

So if you know of any boys or girls who would be interested please have them go to the [website](#) and check it out.

June 16-21, 2013

Hosted by the Cumberland Valley Chapter of Trout Unlimited
& held at the Allenberry Resort on the Yellow Breeches
in Boiling Springs, Pennsylvania

Many of the participants are sponsored by Pennsylvania TU Chapters, but considerations are made for kids looking for some help.

You may recall attendees at the Paflyfish Jamboree in 2012 helped raise money for the program. A donation of \$300 is going to the youth camp in February along with some more awareness through blog posts and other support through the site.
