I'm pretty shocked that the upper delaware hasn't been mentioned... I'd have to say that's probably tops on my list.

Penns. the Letort. Falling Spring. Big Spring. Pine. the Yough. the LJR. Spring Creek. Fishing Creek. Thats ten.

No little brookie streams on my list and they should definitely be fished, but I think it's wrong to put them on such a list. You can always hit cherry run to save a bad day on Penns.
