We've had many threads on here about the best PA streams to fish.

And the top five FF streams, usually came down to - in no particular order:

Delaware River

Penns creek

Spring creek

Fishing creek

Little Juniata

However, they are not very easy for newbies IMO.

And, whenever I take someone fishing for the first time(s), I usually go to stocked streams.

They have a better chance to catch fish, and gain some confidence in what they're doing

I agree. I live within an hour of four out of the five streams mentioned. I am a lucky man! 🏆
