If at first you don't succeed, tie, tie again.....

Killing time while I wait for Joy to get home and we head out the door again. Thought I would try my hand at a smaller Woolly Bugger.

Tied this with number 10 hook and 4 mm bead. (Yeah, I know it's orange again, but my order of other beads didn't arrive yet and I wanted to try something!)

What do you think of this one?
