If you guys will spend a little time working with him, that might be bribe enough. Whereas I think I'm a good teacher with others, I'm too tough on him and I'm pretty sure he can do better with one of you. Just not Dog. If I let him and my kid compare notes, I'm screwed for sure! 🍷 😊

Oh, I SO volunteer for this! I'd never *dream* about trying to dig up ammunition to bust on da Fox.

Either of those days work for me. Pick one, and I'm there.

I'll have to talk with the folks at the Wildlands Conservancy. I gotta believe they have wifi there - whether they'll allow us to use their access code is another matter. Their office building may be too far away to get the signal though.

Dog - just the thought of one of Fox's epic falls made me LOL. It takes him like 10 minutes to actually hit the ground! It's like low altitude sky diving without a parachute. 😄
