Osprey,

The spillway i am talking is Glendale. I hammer pike when reeling in sunfish and rockbass. I just went to www.flytyersdungeon.com and bought some congo hair. It is much cheaper than the EP stuff.

I sent you a pm about winter stocking with TAP. We just put out around 600 little guys 3 weeks ago in Noels and Benscreek.

I cant wait to hit that spillway with my 8 weight. :)
