My twin sister and I would like to be a vendor at the event. We are called the Moon Turtles and we sell Jewelry and Yarn Items at the Marietta Farmer's Market.

We are also part of a charity that recently started in Millersville called Yarn Friends. They are also interested in becoming a vendor for the event.

Please email me at [moonturtlesmarket@gmail.com](mailto:moonturtlesmarket@gmail.com) about any information that you can give us. Thank you.
