I got the chance to meet him a couple of weeks ago. He was a really nice guy. He didn't have to be nice to me, and spent some time talking and giving some excellent advice. Based on his delivery of that advice, I'd bet that besides being a nice guy, that he'd be a great teacher.

I'll have to get this book based on my experience with him and all of your opinions. You all seem to regularly give good advice and your opinions seem to be right on the money.

Thanks.
