Just wanted to let you know that some of my stock in the 3/4 and 9/10 sizes is getting a bit small. I have a feeling that once the TU show comes around then there may be some reels that become out of stock. So if you're interested in a new reel, then grab it quickly and get ready for the Spring hatches!

I'll have more reels in stock in a few months and may add another color or 2 to the line up.

The prices are reflecting the 40% off total discount for paff members.

Lines will be \$15, and backing \$4.50 for 100yds to load up your new reels.

PM here or email risenflyco@yahoo.com to ensure your extra discount when purchasing.
