Here's a pair I use that I haven't seen mentioned.

[www.tcoflyfishing.com](http://www.tcoflyfishing.com), and [www.blue-ribbon-flies.com](http://www.blue-ribbon-flies.com).

I'll also through out kudos to the already mentioned [www.jsflyfishing.com](http://www.jsflyfishing.com), [www.bluequillangler.com](http://www.bluequillangler.com) and [www.charliesflyboxinc.com](http://www.charliesflyboxinc.com). Charlie's Fly Box also has an incredible resource of patterns and tying instructions/tutorials.
