Hm? Wonder what West Branch, maybe the West Branch of the Schuylkill, WB Perkiomen, WB Clarion, WB Penobscot.....

I'm sorry. What I meant to say was that if you're looking to fish the West Branch of the Delaware (since I'm no idiot and can thus can deduce a location based on context clues), I'd recommend staying at the Capra Inn. Gene is a friendly, even cheeky fellow who has always been accommodating. The location is great too being relatively centrally located to many of the popular fishing destinations of the West Branch.

I'm sorry but I don't have any recommendations on guides. Enjoy your trip and tight lines!
