I can't believe you gave my christmas present to you away. :) No its a nice book and hopefully DJS will learn from it and pass it down to someone else. You should have signed it and dated it, and then DJS could do the same as he passed it down...

Hey! he just transformed it into a late birthday present!

Great idea about signing it and then passing it along. You should do that before sending it along and I will follow suit.

Thanks again!
