Adam,

Welcome to Paflyfish ("PAFF") and our online community. If you haven't already done so, take some time to scroll through the Beginner's Forum. There are a bunch of fellas new to fly fishing (FFing) who hang out there and countless questions being asked and answered every day. I think you'll find that many of the things you're wondering about are already answered there. We have a nice crew here who are happy to help newbies and young folks. The Beginner's Forum is the place to ask questions (such as this one). FFing is a complex sport with it's own jargon and traditions. Questions that are specific are easier for us to answer.

Enjoy.
