Prof and I are mulling over our travel plans for the Bitterrot. Fly to Spokane WA then get a flight over to Missoula or simply rent a car in Spokane and drive to Conner Mt [4 1/2 hr drive]. We have to rent a car in either event. Or grind it out and drive straight through from Philly which is a 36 hour drive. We have some flexibility here as our cabin rental starts July 5 which give us the holiday of the 4th to start driving. Wondering if any of you made the trip and how did you do it.
